Re: CC Docket Nos. 01-92, 99-68, 96-98, and 96-45; and WC Docket No. 04-36

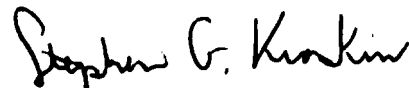

Dear Ms. Dortch:

On October 25, 2004, the Alliance for Rational Intercarrier Compensation ("ARIC") submitted in the above-referenced proceedings a proposed intercarrier compensation reform plan entitled the Fair Affordable Comprehensive Telecom Solution (the "FACTS Plan"). Subsequent to the filing of the FACTS Plan, ARIC identified clerical errors that require revision of pages 76-80 of the FACTS Plan. The same clerical error necessitates revision of the FACTS Plan Attachment E, pages 410-411.

Accordingly, and on behalf of ARIC, please find attached hereto the corrected version of these pages (Attachment 1 is the corrected pages 76-80 of the FACTS Plan; and Attachment 2 is the corrected Appendix E, pages 410-411). For the convenience of the Commission and all parties, attached hereto also is a corrected version of the complete text of the FACTS Plan (Attachment 3) and the Appendices to the FACTS Plan (Attachments 4, 5 and 6) incorporating the revised pages described above.

ARIC again respectfully requests that the Commission issue a Further Notice of Proposed Rulemaking to seek comment on the FACTS Plan and further requests that any subsequent references to the FACTS Plan be made to the corrected version of the plan and its appendices attached hereto.

Sincerely,

Stephen G. Kraskin
